What did we discuss at the last PCC Meeting

The PCC meeting on 27 September 2021 centred on how we can improve the synergy between different age groups. And in particular concluded that the PCC wants to find out more about how we can best meet the opportunities and challenges of reaching Students.

The PCC passed the three following proposals:

1. Data Protection Policy relating to the processing, sharing and storage of personal data.
2. Legacy Donation: To distribute our brother Malcolm Bateman's donation between:
 - a. The Easter Centre Building Project – of which Malcolm was Project Accountant.
 - b. Malcom Bateman Music Fund – reflecting his musical ministry in several areas.
 - c. For professional fees and pre-Planning Application for extending the Caddey.

3. Replacing AV equipment: To take a proportionate reduction from each category above to cover the net cost of replacing the AV equipment purchased.

The PCC will meet again on 29th November 2021.
