Our Mission: Extravagant, Sacrificial, Radical, Courageous, Renewed and Surrendered (Cont.)

James began teasing out the phrases associated with our Mission Statement in a sermon this term – whetting our appetites. We will look at them in greater depth at the Evening Service

Recovering Sundays. Rebuilding the Church

An opportunity to think again about what it means to be church and why meeting together matters. The past 2 years have been difficult on Christian fellowship all over the world. I am thankful for the creative opportunities for worship we have experienced. And we are committed to ensuring that those that can't gather in person remain connected in our scattered congregation. Yet, it feels important to remind each other that gathering is a part of who we are as people belonging to Christ and to one another. Gathering isn't merely a nice thing to do; it's part of what a church is.

At the 6pm – the series will be based on the Alpha Session 'What about the Church?'
